## Neighborhood 360° Assessment

## How it works

### WHO WE ARE?

Seed to Oaks is leading a movement of social good through the local church by helping neighborhoods address their most urgent needs, such as health, jobs, and education. Our 360 Neighborhood Assessment will help you mobilize your members to discover actionable insight into the genuine dreams and needs of your community.

### WHY INITIATE A 360°?

- A proven approach to lasting social change.
- A powerful application of your church's gifts.
- A practical means of proclaiming the gospel.

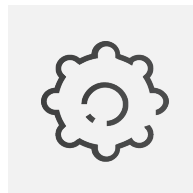

### Recruit Your Mobilization Team

Based on specific principles, your Neighborhood strategist will help you identify ideal church members to implement your assessment.

### Research Your Neighborhood

Each member of your mobilization team will be assigned a specific task, and together, compose a holistic community study.

### Discover Genuine Local Needs

Pinpoint where the gifts of your people intersect with the dreams and needs of your neighborhood, enhancing your outreach efforts.
