## WHERE CAREERS BEGIN AND **COMMUNITIES THRIVE**

Beyond job placement, your church can be committed to building strong, interconnected communities through meaningful employment.

## INITIATIVES

### HIRING EVENTS

A Hiring Event is a tool for recruiting and placing people in jobs. At a set time and place, business partners, churches, and job seekers meet and try to find out if they match.

### SUCCESS TRAINING

Success Training is a hands-on job preparedness course, led by local professionals, to ready job seekers to be placed into full-time work through one of our business partners.

### MENTORING

A Mentor is a volunteer who serves as an experienced and trusted advisor to Job One Candidates seeking work. They help further Candidate life skills and help them navigate some of the challenges they experience.

## ABOUT

Under the guidance of a Job One Strategist, your church is empowered with a structured plan to train and place individuals in full-time employment, irrespective of congregation size. Job One offers a tailored approach to recruiting, training, and job placement, ensuring families prosper.

1. **Team Mobilization:** Your strategist will help pinpoint the right church members to drive your community health initiatives using specific principles.
2. **Initiate Job One Campaign:** Each team member plays a distinct role, collaborating to provide job services for numerous local families.
3. **Engage with the Community:** Build on connections from both professional and church circles to keep serving and spreading the Good News to your neighbors.
