WHERE FAITH & LEARNING THRIVE TOGETHER

Bridge the gap between education and faith, by empowering your church, educators, and community to nurture children's minds and hearts.

INITIATIVES

WE LOVE TEACHERS

We Love Teachers is a tool that helps you identify and provide practical, loving support to teachers, including prayer, personal care packages and donating towards classroom needs.

BEYOND TUTORING

Beyond Tutoring is an after school tutoring program you can operate through your church in partnership with local educators, including those already sitting in your pews. The program is designed to give students academic and life skills support in a safe, nurturing environment.

SUMMER ACADEMY

A two-week educational experience designed to inspire young minds. Our program offers a diverse range of courses, hands-on activities, and opportunities for personal growth, fostering a lifelong love for learning in a fun way by your volunteers, at your church.

ABOUT

Oaks Learning is a transformative resource that enables local churches and educators to join forces in bolstering educational support for parents and their children. With a focus on holistic education, Oaks Learning offers a comprehensive approach to nurturing young minds, from hosting engaging summer academies to facilitating after-school programs.

1. **Recruit your Learning team.** Based on specific principles, your Oaks Learning strategist will help you identify ideal church members to discern and implement your education efforts.
2. **Launch your Education effort.** Each member of your Learning team will be assigned a specific task, and together, coordinate education services providing support for up to dozens of families in your neighborhood.
3. **Follow Up with Neighbors.** Using relationships forged at both the professional and local church level, follow up with your new neighbors so you can continue to serve them and share the Good News.
